

Hallelujah I Love Her So

Harry Belafonte

Let me tell you bout a girl I know
She is my baby and she lives next door
Every morning 'fore the sun comes up
She brings my coffee in my favorite cup

So I know, yes I know
Hallelujah I just love her so

When I'm in trouble and I have no friend
I know she'll go with me until the end
Everybody asks me how I know
I smile and tell them she told me so

Thats why I know, yes, I know
Hallelujah I just love her so

If I call her on the telephone
And tell her that I'm all alone
By the time I count from one to four
I hear, on my door

In the evening when the sun goes down
When there is nobody else around
She kisses me and she holds me tight
Tells me everything will be alright

So why I know, yes I know
Hallelujah I just love her so

If I call her on the telephone
And tell her that her daddy's all alone
By the time I count from one to four
I hear, on my door

In the evening when the sun goes down
When there is nobody else around
She kisses me, holds me tight
And says, daddy every thing's alright

So why I know, yes I know
Hallelujah I just love her so
Yes, Hallelujah I just love her so
Hallelujah I just
