

Land Of The Sea And Sun

Harry Belafonte

Many nights I sit here
With memories by the score
Thinking of the nights I spent
With the girl I still adore
So I'm going back to see her
Before my days are done
Going back to see her in the land of the sea and sun

Once I had an ocean
'bout this bajan girl
I put my thoughts in motion
And found my heart in a whirl
So I'm going back to see her
Before my days are done
Going back to see her in the land of the sea and sun

Ever since I left here
Nothings been the same
Think I'll pull up ancor
Going back and give her my name
So I'm going back to see her
Before my days are done
Going back to see her in the land of the sea and sun

Yes I'm going back to see her
Before my days are done
Going back to see her in the land of the sea and sun
