

# Makes A Long Time Man Feel Bad

Harry Belafonte

It makes a long time man feel bad  
It makes a long time man feel bad  
He can't get no letter  
He can't hear from home  
That makes a long time man feel bad

My baby sister keeps a writin' "come on home"  
My baby sister keeps a writin' "come on home"  
And my tears run down 'cause my time's so long  
It makes a long time man feel bad

Well bad.  
Surely my mother must be gone  
Well surely (surely) my mother must be gone  
Well surely my mother must be gone oh Lord  
That makes a long time man feel bad

There ain't no doctor no doctor in all this land  
There ain't no doctor no doctor in all this land  
Ain't no doctor can cure fever of a convict man  
That makes a long time man feel bad.
