

# The Jack-Ass Song

Harry Belafonte

Play that theme man.  
Jackass will jump and bray, let him bray, let him bray  
I say the Jackass will jump and bray,  
Lordy let him bray, let him bray, everybody!

Now I tell you in a positive way  
Don't tie me donkey down there  
Cause me donkey will rump and play  
Don't tie me donkey down there

Now me donkey gone mad they say  
Don't tie me donkey down there

"Cause his eye on a bale o' hay  
Don't tie me donkey down there

Now the news really travel fast  
Don't tie me donkey down there  
When me donkey in the meadow grass  
Don't tie me donkey down there

Now me heart is light and gay  
Don't tie me donkey down there  
He haw 'till judgment day  
Don't tie me donkey down there
