

## Trinidad Carnival Time

Harry Belafonte

By this time back in Trinidad They're making arrangements for t  
he fact to start And what's the big occasion That's causing suc  
h a jubilation Well it's Carnival, what else could it be People  
line the roads up and down to see Waiting for all the bands to  
pass To jump in and play their mass It's Carnival come join wi  
th me Grab your partner and you'll feel free Be merry and gay r  
elax enjoy your stay Have fun this Carnival day Jump up to the  
rhythm and the rhyme Shake your body in the line It's Trinidad  
Carnival time Oh I never seen so much a rum yet And those bakes  
and biscuits I can't forget Steel band boys bing bang their tu  
ne People romancing under the moon Well it's masquerade all ove  
r the place Like a convention of the human race Day and night i  
t's still going on Well it's there my friends Calypso was born
