## **Autumn In New York**

## Harry Connick, Jr.

Autumn in New York Why does it seem so inviting Autumn in New York It spells the thrill of first-nighting

Glittering crowds and shimmering clouds In canyons of steel They're making me feel, I'm home

It's autumn in New York That brings the promise of new love Autumn in New York Is often mingled with pain

Dreamers with empty hands May sigh for exotic lands It's autumn in New York It's good to live it again

Autumn in New York The gleaming rooftops at sundown Oh, autumn in New York It lifts you up when you run down

Yes, jaded rous and gray divorces Who lunc at the Ritz Will tell you that it's divine

This autumn in New York Transforms the slums into Mayfair Oh, autumn in New York You'll need no castles in Spain

Yes, lovers that bless the dark Oh, on the benches in Central Park Greet autumn in New York It's good to live it again

Autumn in New York That brings the promise of new love Autumn in New York Is often mingled with pain

Dreamers with empty hands They sigh for exotic lands It's autumn in New York It's good to live it again
