

Come By Me

Harry Connick, Jr.

Come by me, come talk to me baby
Tell me how we can combine
Will you be my sunshine forever
Will you be a friend of mine

Try me out and if you get excited
Take me home, I'd love to be invited
Once we're there, I'm sure you'll be delighted
We can rock all night

Wait and see, we might fit together
That would be my lucky day
Come by me, come love with me baby
Maybe we could run away
