Come By Me

Harry Connick, Jr.

Come by me, come talk to me baby Tell me how we can combine Will you be my sunshine forever Will you be a friend of mine

Try me out and if you get excited
Take me home, I'd love to be invited
Once we're there, I'm sure you'll be delighted
We can rock all night

Wait and see, we might fit together That would be my lucky day Come by me, come love with me baby Maybe we could run away
