Do Nothin' Till You Hear From Me

Harry Connick, Jr.

Do nothin' till you hear from me Pay no attention to what's said Why one should tear the seam of anyone's dream It's over my head

Do nothin' till you hear from me At least consider our romance If you should take the word of others you heard Baby, I haven't a chance

True I've been seen With someone new That doesn't mean I've been untrue While we're apart The words in my heart Reveal how I feel about you

Some kiss may cloud my memory And other arms may hold a thrill But please do nothin' till you hear it from me Baby, you never will
