

Stars Fell on Alabama

Harry Connick, Jr.

Moonlight and magnolias, starlight in your hair
All the world a dream come true
Did it really happen, was I really there
Was I really there with you
We lived our little drama, we kissed in a field of white
And stars fell on Alabama that night
I can't forget the glamour, your eyes held a tender light
And stars fell on Alabama last night

I never planned in my imagination, a situation so heavenly
A fairy land that no one else could enter
And in the center, just you and me, dear
My heart beat like a hammer, my arms wound around you tight
And stars fell on Alabama last night

"Alright, let's take it on down from Muscle Shoals through Decatur"
"Mmmm, Birmingham, ooh Montgomery"
"Right up over Spanish Fort into Mobile, my hometown"
"Mister T..."

I never planned in my imagination, a situation so heavenly
A fairy land that no one else could enter
And in the center, just you and me, dear
My heart beat like a hammer, my arms wound around you tight
Ah, stars fell on Alabama last night

"One more time boys..."
Yes, we lived our little drama
We kissed on the dunes so white
And stars fell on Alabama
Last night
