Stars Fell on Alabama

Harry Connick, Jr.

Moonlight and magnolias, starlight in your hair All the world a dream come true Did it really happen, was I really there Was I really there with you We lived our little drama, we kissed in a field of white And stars fell on Alabama that night I can't forget the glamour, your eyes held a tender light And stars fell on Alabama last night

I never planned in my imagination, a situation so heavenly A fairy land that no one else could enter And in the center, just you and me, dear My heart beat like a hammer, my arms wound around you tight And stars fell on Alabama last night

"Alright, let's take it on down from Muscle Shoals through Deca tur" "Mmmm, Birmingham, ooh Montgomery" "Right up over Spanish Fort into Mobile, my hometown" "Mister T..."

I never planned in my imagination, a situation so heavenly A fairy land that no one else could enter And in the center, just you and me, dear My heart beat like a hammer, my arms wound around you tight Ah, stars fell on Alabama last night

"One more time boys..." Yes, we lived our little drama We kissed on the dunes so white And stars fell on Alabama Last night
