

The Preacher

Harry Connick, Jr.

I should've done it better
Should've done it right
Should've played it looser
Or played it tight

You shoot out an arrow
You should improvise
You should listen to me
Listen 'cause I'm wise

Preach preacher
Save me before I drown
Teach preacher
Bring bring gavel down
Eat preacher
Always got alot to say
Preach preacher
Find a way to break my day

Should've done it my way
Would've come out fine
Bottle in your cup and
Should've followed mine

Everyone goes running
Running when I call
I'm a one man army
So you know what up

Preach preacher
Save me before I drown
Teach preacher
Bring bring gavel down
Eat preacher
Always got alot to say
Preach preacher
Find a way to break my day

It will come a day son
When I'm not around
Should've took a lesson
Should've wrote it down

'Cause I rode a sparrow
And I will never stop
But you can't expect him
To see him running around town

Preach preacher
Save me before I drown
Teach preacher
Bring bring gavel down
Eat preacher
Always got alot to say
Preach preacher
Find a way to break my day
