

# I Feel Amazing

Harry Hudson

Damn I feel amazing  
This should be contagious  
Never worked a day shift  
Always got a flaw in my heart  
On my baby  
This is what I called for  
This is why I made it  
Look how God made me  
Damn I feel amazing  
This sound like vacation  
Never worked a day shift  
Tattoo your name on my heart you're my baby  
This is what I called for  
This is why I made it  
Look how God made me

Please don't waste my time  
If you want it show me why  
I'm in the cut in Van Nuys  
How you livin  
Very nice  
But I'm in the rain and I'm in the fog  
She feelin' the vibe she ready to walk (yeah yeah)  
Slippin and slide she ready to fall  
But I can't let her fall yeah yeah

'Cause she at the apartment  
I'm still at the party  
I got hella options (yeah)  
Won't fuck just anybody  
I'm really somebody  
In love with somebody (yeah)
