Another harvest moon  
Fireflies laying on you  
Lay you across my blanket  
Truck bed big enough for two  
The slightest touch can do  
Something so new that I can't shake it

'Fore we run out of time and the whiskey runs dry  
I still find my way right back to you  
And even with the dust in my eyes I can still see the signs  
As I drive down this road made for two  
I feel, I feel  
Like I'm at home, like I'm at home  
I feel, I feel  
Like I'm at home, like I'm at home

When I'mma, when I'm alone  
When I'mma, when I'm alone  
You never seem to call  
Like I'mma, like I'm at home  
When I'mma, when I'm alone  
When I'mma, when I'm alone  
You never fear I'm gone  
'Cause I'mma, I'm at home  
La, la, la, la, la

Hold my heart, keep me in a comatose state  
Got my flannel on, you're looking like my little cold babe  
Waiting in the water, I have to meet him by the lake  
Where they don't go, where the sun always stays

'Fore we run out of time and the whiskey runs dry  
I still find my way right back to you  
And even with the dust in my eyes I can still see the signs  
As I drive down this road made for two  
I feel, I feel  
Like I'm at home, like I'm at home  
I feel, I feel  
Like I'm at home, like I'm at home

When I'mma, when I'm alone  
When I'mma, when I'm alone  
You never seem to call  
Like I'mma, like I'm at home  
When I'mma, when I'm alone  
When I'mma, when I'm alone  
You never fear I'm gone  
'Cause I'mma, I'm at home  
La, la, la, la, la

Tell me lies, tell me lies  
All your dirty lies  
Close your eyes, cut the ties  
Who do you despise?  
Pigeons fly, people die  
I don't question that  
I fall asleep, I fall asleep

Who am I? Who am I?  
I'll let you decide  
Let me slide, pick a time  
Fall back with the tide  
Come inside, cut the lights  
Let's live in the night  
And fall asleep, you'll fall for me

When I'mma, when I'm alone  
When I'mma, when I'm alone  
You never seem to call  
Like I'mma, like I'm at home  
When I'mma, when I'm alone  
When I'mma, when I'm alone  
You never fear I'm gone  
'Cause I'mma, I'm at home  
La, la, la, la, la
