

Are You Sleeping?

Harry Nilsson

Are you sleeping? Can you hear me?
Do you know if I am by your side?
Does it matter if you hear me?
When the morning comes I'll be there by your side

And in the morning when I wake up
She may be telling me goodbye, la la la la
And in the evening if we break up
I'm wondering why, I'm wondering why

There was a time, we had a time
There was a time, we had a time
There was a time, there was a time
When you were mine

We had a time, we had a time
We had a time, oh what a time
There was a time, there was a time
When you were mine

And in the evening if we go out
Night time will find us at the show
Or we may decide to stay inside
You never know, you never know
You never know, you never know
You never know

Are you sleeping or can you hear me?
Do you know if I am by your side?
Does it matter if you hear me?
When the morning comes I'll be there by your side

La la la
La la la
