

## Bath

Harry Nilsson

I'm leaving here this morning but I don't know where I've been  
I'm going home to take my bath but I'll be back again  
Yeah, I'm leaving here this morning with a smile upon my face  
I'm beginning to think there's hope for the human race

I'm leaving here this morning but I don't know where I've been  
There's a lot of talk about the place but I'll be back again  
Yeah, I'm leaving here this morning with my eyes upon wide  
And I'm awfully glad you let me come inside  
Do, I could do, I could do, I could do,  
I could do, I could do, I could do, wa-ha

My eyes are getting heavy and my knees a little weak  
My mouth so dry it hurts my throat when I begin to speak  
Yeah, but I'm leaving here this morning with a smile upon my face  
I'm beginning to think there's hope for the human race

Do, I could do, I could do, I could do,  
I could do, I could do, I could do, wa-haaaa
