

# Broken

Harry Styles

I'm wide awake, caught in a dream  
But I can't face reality  
Cause the weight is too much to bare  
Under the gun, look what you've done  
Made a fool out of everyone  
We can't fix what isn't there

Holding on to yesterday  
But it feels so far away

Maybe this time we're broken  
Cause I don't know where to go from here  
Maybe this time  
And if we can't turn back baby I don't wanna drown in tears  
Maybe this time we're broken  
Our tomorrow just disappear  
Maybe this time we're broken, we're broken

Our story ends, we can't pretend  
Or kiss away all the difference  
See the pieces on the floor  
If I forgive your mistake  
A lie's the one thing I can't erase  
Won't deny it anymore

Holding on to yesterday  
But the truth's too clear to fade

Maybe this time we're broken  
Cause I don't know where to go from here  
Maybe this time  
And if we can't turn back baby I don't wanna drown in tears  
Maybe this time we're broken  
Our tomorrow just disappear  
Maybe this time we're broken, we're broken  
Maybe this time we're broken  
Cause I don't know where to go from here  
Maybe this time  
And if we can't turn back baby i don't wanna drown in tears  
Maybe this time we're broken  
Our tomorrow just disappear  
Maybe this this time we're broken, we're broken.
