Harry Styles

You got, you got the cinema

It's you
And I'm not getting over it
Darling, is it cool
If I'm stubborn when it comes to this?
I guess we're in time
If you're getting yourself wet for me
I guess you're all mine
When you're sleeping in this bed with me

I just think you're cool
I dig your cinema
Do you think I'm cool too?
Or am I too into you?

Tell me what you want and you got it, love
I want all of you
Gimme all you got
That's cinema
That's cinema, uh-huh

It's you
I don't know why but it feels so right to me
Something in the way you move
I like it when you dance for me

You all the time (Time, time)
In doses at night (Night, night)
No roof on the drive
Dust off the high
And go to sleep (Go to sleep, go to sleep)

I just think you're cool
I dig your cinema
Do you think I'm cool too?
Or am I too into you?
I just think you're cool
I dig your cinema
Do you think I'm cool too?
Or am I too into you? (Cinema)

You got, you got
I bring the pop, you pop
You got, you got
I bring the pop
You got, you got the cinema
I bring the pop to the cinema, you pop
You got, you got the cinema
You got, you got the cinema
I bring the pop to the cinema
You pop when we get intimate

You got, you got the cinema
You got, you got the cinema (Cinema)

I bring the pop to the cinema
You pop when we get intimate (Baby, cinema)

You got, you got the cinema
You got, you got the cinema
I bring the pop to the cinema
You pop when we get intimate (Baby, you're cinema)

You got, you got the cinema
You got, you got the cinema
I bring the pop to the cinema
You pop when we get intimate (Baby, you're cinema)

You got, you got the cinema
You got, you got the cinema
I bring the pop to the cinema
You pop when we get intimate
