

Hunger

Harry Styles

[Verse 1]

Candles burned down to the floor
Wearing less than you were before
Shoes sitting by the door
Never put them on

[Verse 2]

We would stay in my house for days
Spending breakfast in private places
Most stuff don't taste the same
Now that you're gone

[Pre chorus]

Guess I'm prone to overthinking
One thing goes wrong and I can't adjust
I lost the taste for the good in us
and I'm sorry

[Chorus]

We had a hunger then
Only each other then
Couldn't get enough when we started
Always a hunger then
Now it's just emptiness
We were in love, we were starving
We had a hunger then

[Verse 4]

We could ruin a perfect night
On my birthday I made you cry
You told me you'd learn to drive
I guess you lied

[Bridge]

I could never get sick of you
I just bit off more than I could chew
and as one year turns into two,
I'm still not over you,
still not over you

[Chorus]

We had a hunger then
Only each other then
Couldn't get enough when we started
Always a hunger then
Now it's just emptiness
We were in love, we were starving
We had a hunger then

[Pre chorus]

Guess I'm prone to overthinking
I lost my taste for the good in us
I never called when I knew I should
and I'm sorry
I'm sorry
Oh

[Chorus]
We had a hunger then
Only each other then
Couldn't get enough when we started
Always a hunger then
We had a hunger then
Now it's just emptiness
We were in love, we were starving
We had a hunger then
Oh
We had a hunger then
Now there's just emptiness
We were in love, we were starving
We had a hunger then
