# Ready, Steady, Go!

**Harry Styles**

One time is alright
Two times is one too many
One, two, three times you're on me
And suddenly
Ready, steady, go!

You touched me goodnight
Butterflied both our bellies
You and me are skipping sleep
With dirty feet
Ready, steady, go!

But you call Leon
You call it only in my head
'Cause you've got enough
While we do too much

But you call Leon
Ah, you did call it only in my head?
'Cause you've got enough on your hands
While we're coming up

One time in the light
It's two times as fun already
One, two, three times you're only
Playing with me
Ready, steady, go!

Pronti, quasi, vai!
Ready, steady

Ready, steady, go!
Ready, steady, go!
Ready, steady, ready, steady, go!
Ready, steady, go!
Ready, steady, ready, steady, go!
Ready, steady, go!
Ready, steady, ready, steady, go!
Ready, steady, go!

Ready, steady, go!
Ready, steady, go!
Ready, steady, ready, steady, go!
Ready, steady, go!
Ready, steady, ready, steady, go!
Ready, steady, go!
Ready, steady, ready, steady, go!
Ready, steady, go!
