

# The Chain

Harry Styles

Listen to the wind blow  
Watch the sun rise  
Running in the shadows  
Damn your love  
Damn your lies

And if you don't love me now  
You will never love me again  
I can still hear you saying  
You would never break the chain

If you don't love me now  
Never love me again  
I can still hear you saying  
You would never break the chain

Listen to the wind blow  
Down comes the night  
Running in the shadows  
Damn your love  
Damn your lies

Break the silence  
Damn the dark  
Damn the light

And if you don't love me now  
You will never love me again  
I can still hear you saying  
You would never break the chain

If you don't love me now  
Never love me again  
I can still hear you saying  
You would never break the chain  
If you don't love me now  
Never love me again  
I can still hear you saying  
You would never break the chain

Chain, keep us together  
Chain, keep us together  
Chain, keep us together  
Running in the shadows  
Chain, keep us together  
Running in the shadows  
Chain, keep us together  
Chain, keep us together
