

Try Honey

Harry Styles

She said you make me feel so alone
She said you never pick up the phone
She said how come you never come home when you say you will
Darling, I know that you want
Last night I nearly made a mistake
She knows and now she's making me beg
I love her just don't know how to change
It feels like I'm slipping away
I'm starting to heal and she says

She said oh my oh my oh my
You're never there for me, you're never there for me
You said oh my oh my oh my
You're never there for me, but I'm gonna try honey
I'm gonna try honey
I'm gonna try

Feel lucky when I lay next to you
You fuck me like there's something to prove
One day baby I'll come trough
You won't have to ask me to stay
And I won't be hearing you say

She said oh my oh my oh my
You're never there for me, you're never there for me
You said oh my oh my oh my
You're never there for me, but I'm gonna try honey
I'm gonna try honey

Hold on, hold on
Won't you hold on for me
I'm gonna try honey
Hold on, hold on
Won't you hold on for me
I'm gonna try honey
Hold on, hold on
Hold on, hold on
Won't you hold on for me, I'm gonna try honey
Hold on, hold on
Hold on, hold on
Won't you hold on for me, I'm gonna try honey

You said oh my oh my oh my
You're never there for me, you're never there for me
You said oh my oh my oh my
You're never there for me, but I'm gonna try honey
You said oh my oh my oh my
You're never there for me, you're never there for me
And you said oh my oh my oh my
You're never there for me, but I'm gonna try honey
I'm gonna try honey
Won't you hold on for me, I'm gonna try honey
Hold on, hold on
Won't you hold on for me, I'm gonna try honey
