

# We Found Love

Harry Styles

Yellow diamonds in the light And we're standing side by side As  
your shadow crosses mine What it takes to come alive

It's the way I'm feeling I just can't deny But I've gotta let  
it go

We found love in a hopeless place We found love in a hopeless p  
lace We found love in a hopeless place We found love in a hopel  
ess place

Shine a light through an open door Love and life I will divide  
Turn away cause I need you more Feel the heartbeat in my mind

It's the way I'm feeling I just can't deny But I've gotta let  
it go

We found love in a hopeless place We found love in a hopeless  
place We found love in a hopeless place We found love in a hope  
less place

Yellow diamonds in the light And we're standing side by side A  
s your shadow crosses mine
