

Hymn of Praise/Shouts of Joy

Harvest

You set my feet upon a rock
From the depths you brought me out
Your love is written on my heart
Oh how wonderful You are
You put a new song in my mouth
It is a hymn of praise to You
Mercy every morning new
Oh how wonderful

Thanks be to God
You heal the brokenhearted
Thanks to be God
Your banner is love
Thanks be to God
Your faithfulness unending
Thanks be to God
Rejoice and be glad

Sing out, sing out a new song
Great is the Lord most worthy of praise
Sing of, sing of His goodness
How His love is for us now and always

I waited patiently for You
Inclined You heard my cry
Out of the pit and miry clay
No Your love will never fail
With the rising of the sun
To the end of every day
You're the lifter of my head
You're where my help comes from

Thanks be to God
You heal the brokenhearted
Thanks to be God
Your banner is love
Thanks be to God
Your faithfulness unending
Thanks be to God
Rejoice and be glad

Sing out, sing out a new song
Great is the Lord most worthy of praise
Sing of, sing of His goodness
How His love is for us now and always

Put my tears in the soil
Now I'm reaping shouts of joy
Sorrow turns into a harvest
Mourning turns into a song
You've always been faithful
You've always been good
My heart is so thankful
There's nobody like You

Put my tears in the soil
Now I'm reaping shouts of joy

Sorrow turns into a harvest
Mourning turns into a song
You've always been faithful
You've always been good
My heart is so thankful
There's nobody like You

Sing out, sing out a new song
Great is the Lord most worthy of praise
Sing of, sing of His goodness
How His love is for us now and always
