

Make Us Ready

Harvest

Let there be oil in my lamp
Let the fire not go out
When I hear the Bridegroom comes
Let there be oil in my lamp
Let the fire not go out
When I hear the Bridegroom comes
Let there be oil in my lamp
Let the fire not go out
When I hear the Bridegroom comes
Let there be oil in my lamp

Make us ready
Make us ready

Let there be oil in my lamp
Let the fire not go out
When I hear the Bridegroom comes
Let there be oil in my lamp
Let the fire not go out
When I hear the Bridegroom comes
Let there be oil in my lamp
Let the fire not go out
When I hear the Bridegroom comes
Let there be oil in my lamp

Make us ready

So take my lamp set it on a hill
Set it on a lamp stand
I won't be hidden
I won't be hidden
So take my lamp set in on a hill
Set it on a lamp stand
I won't be be hidden
I won't be hidden
So take my lamp set in on a hill
Set it on a lamp stand
I won't be be hidden
I won't be hidden
So take my lamp set in on a hill
Set it on a lamp stand
I won't be be hidden
I won't be hidden

I'll be dripping with the oils of love
I'll be dripping with the oils of love
I'll be dripping with the oils of love
I'll be dripping with the oils of love
