

Palm of Your Hand

Harvest

Spinning out of control, I feel it
Losing my defenses
No, it's not easy letting go and trusting You

And if I'm being honest, I know You
Though You've said You've got it
No, it's not easy letting go and trusting You

So I will stop and breathe
Rest here in Your goodness
I know You won't leave
It's my confidence (Oh, it's my confidence)
So I will stop and breathe
Rest here in Your goodness
I know You won't leave
It's my confidence (Oh, it's my confidence)

Here I am in the palm of Your hand
Nothing can take me away
Nothing can take me away
Here I am in the palm of Your hand
Nothing can take me away
Nothing can take me away

Yeah, yeah, yeah, yeah, yeah, yeah

Spinning out of control, I feel it
Losing my defenses
No, it's not easy letting go and trusting You

And if I'm being honest, I know You
Though You've said You've got it
No, it's not easy letting go and trusting You

(So I will)
So I will stop and breathe
Rest here in Your goodness
I know You won't leave
It's my confidence (Oh, it's my confidence)
And I will stop and breathe
Rest here in Your goodness
I know You won't leave
It's my confidence (Oh, it's my confidence)

Here I am in the palm of Your hand
Nothing can take me away
Nothing can take me away
Here I am in the palm of Your hand
Nothing can take me away
Nothing can take me away

Oh, it's my confidence (Oh, it's my confidence)
Oh, it's my confidence (It's my confidence)
Here I am, here I am in the palm of Your hand (It's my confidence)
Here I am, God (Learning to trust You)

There's not a height, or a depth

Or a lie inside my head
There's not a fear or offense
Nothing can take me away (Nothing can take me away)
There's not a height, or a depth
Not a lie inside my head
Not a fear or offense
Nothing can take me away
There's not a height, or a depth
Not a lie inside my head
There's not a fear or offense
Nothing can take me away
There's not a height, or a depth
Not a lie inside my head
Not a fear or offense
Nothing can take me away

Nothing can take me away (Nothing can take me away)
Nothing can take me away (Nothing can take me away)
Nothing can take me away (Nothing can take me away)
Nothing can take me away (Nothing can take me away)

Here I am in the palm of Your hand
Nothing can take me away
Nothing can take me away
Here I am in the palm of Your hand
Nothing can take me away
Nothing can take me away

It's my confidence (Oh, it's my confidence)
It's my confidence (It's my confidence)
It's my confidence (It's my confidence)
That nothing can take me away (Nothing can take me away)
It's my confidence (It's my confidence)
It's my confidence (Oh, it's my confidence)
It's my confidence (It's my confidence)
That nothing can take me away

Nothing
No one
Can take me away
There's nothing
And no one
Can take me away (What can separate me?)
Oh, and what can separate me? (Nothing can separate me)
Oh, what can separate me? (From Your love)
Oh, what can separate me? (What can separate me?)
From Your love (Nothing, nothing can take me away)
What can separate me?
What can separate me?
What can separate me?

Nothing can take me away (Nothing can take me away)
Nothing can take me away (Nothing can take me away)
Nothing can take me away
Nothing can take me away

Taking it deeper, Lord
Even though I've heard it before
You're taking it, taking it deeper, Lord
Even though I've heard it before
You're taking it, taking it deeper, Lord
Mm, new understanding
New understanding

Of Your love, release it over us
The strength of Your love (New understanding)
Power of Your love
New understanding
Release it over us

New depths, new heights
New depths, new heights
New depths, new heights of Your love, Jesus
New depths, new heights
New depths, new heights
New depths, new heights of Your love, Jesus
New depths, new heights
New depths, new heights (Thank You for Your love)
New depths, new heights of Your love, Jesus
New depths, new heights
New depths, new heights (Thank You for Your love)
New depths, new heights of Your love, Jesus (I gotta thank You for Your love
)
New depths, new heights
New depths, new heights
New depths, new heights of Your love
New depths, new heights
New depths, new heights
New depths, new heights of Your love
New depths, new heights
New depths, new heights
New depths, new heights of Your love, Jesus
New depths, new heights
New depths, new heights
New depths, new heights of Your love

Thank You for taking it deeper, Lord
Release the revelation, release the revelation
I gotta thank You for taking it deeper, Lord
Oh release the revelation, release the revelation
Said, nothing can take me away
Nothing can take me away
Nothing, nothing, nothing, nothing can take me away
Nothing can take me away (Nothing can take me away)
Nothing can take me away (Nothing can take me away)

Here I am in the palm of Your hand
Nothing can take me away
Nothing can take me away
Here I am in the palm of Your hand
Nothing can take me away
Nothing can take me away

Nothing can take me away
Nothing can take me away
