

## Merit for Sadness

Haste the Day

When the moon hangs rogue in the sky  
I wait for you  
With every step you take  
I'll wait for you  
And I will never forget this made me feel alone  
So hopelessly alone  
Defeated, helpless, with nothing to call home

Open my heart to sadness  
It's though the pain that I believe  
(It's in the pain that I can see)  
Love is alive in darkness  
The waters may rise but your hand carries me

I won't let go  
And I will never forget  
You made me feel alive so I'll wait for you  
I'll wait for you  
We've opened our hearts to sadness  
Because we know it won't last long  
(Because we know it won't last long)  
We know love will live through darkness  
Through the darkness we overcome

Open my heart to sadness  
It's though the pain that I believe  
(It's in the pain that I can see)  
Love is alive in darkness  
The waters may rise but your hand carries me  
I won't let go

When the moon hangs low (4x)

Open my heart to sadness  
It's though the pain that I believe  
(It's in the pain that I can see)  
Love is alive in darkness  
The waters may rise but your hand carries me

The world may deny what you choose to believe  
I know that you're here  
So I'll hold on and won't let go  
I won't let go  
I won't let go
