

Crush

Hatchie

Ah... crush...
Ah... crush...

See you blowin' me a kiss it doesn't take a scientist
To understand what's goin' on baby
If you see somethin' in my eye, let's not overanalyze
Don't go too deep with it baby

So let it be what it'll be
Don't make a fuss and go crazy over you and me
Here's what I do, I'll play it loose
Not like we have a date with destiny

It's just a little crush
Not like I faint every time we touch
It's just some little thing
Not like everything I do depends on you
Ah... crush...

It's raisin' my adrenaline, you're bangin' on a heart of tin
Please, don't make too much of it, baby
Say, "That we're forever more", that's not what I'm lookin' for
All I can commit to is maybe

So let it be what it'll be
Don't make a fuss and go crazy over you and me
Here's what I do, I'll play it loose
Not like we have a date with destiny

It's just a little crush
Not like I faint every time we touch
It's just some little thing
Not like everything I do depends on you
Ah... crush...

Vanilla skies
White picket fences in your eyes
A vision of you and me

It's just a little crush
Not like I faint every time we touch
It's just some little thing
Not like everything I do depends on you
Ah... crush...
