Keep

Hatchie

If you'd said I'd still be here a year ago
I would have told you telling lies is bad for souls
Imagine all the stories left untold
If we'd kept our wildest dreams on hold

But you keep your cool, any colour
I'd be a fool for any other
Keep your cool, any colour
I'd be a fool for any other

Would I blow out your light to brighten mine?
You say it's sinful to be shy, well I'm in line
Said "I wanna go to heaven but I'm scared of getting high"
It's not quite right

But you keep your cool, any colour
I'd be a fool for any other
Keep your cool, any colour
I'd be a fool for any other

I'm gunna let you keep my love
I know you wanna get it, I know you wanna get it
I'm gunna let you keep my love
I know you wanna get it, I know you wanna get it
I'm gunna let you keep my love
I know you wanna get it, I know you wanna get it
I'm gunna let you keep my love
I know you wanna get it, I know you wanna get it
