

# Obsessed

Hatchie

Never one to light up a room on entry  
Figured it's part of a charm and it's nothing to shame  
Blow off my friends then cry about being lonely  
Let Friday ruin my Saturday yet again

You were the one, you were the one who  
Told me to run, told me to run  
Give it a try, get out alive  
But I can't be fun, you're the only one

I get a little bit obsessed with  
It's ok, yeah it's ok, but I do  
I get a little bit obsessed with  
It's ok, yeah it's ok, but I do  
I get a little bit obsessed with

I get a little bit obsessed with  
I get a little bit obsessed with

Met you at a party at the tail of teens  
The only one who didn't stare straight through  
Hung myself out to dry til you let me in  
That's when I knew I'd clip my wings, do anything, for you

You were the one, you were the one who  
Told me to run, told me to run  
Give it a try, just have a life  
But I can't be fun, you're the only one

I get a little bit obsessed with  
It's ok, yeah it's ok, but I do  
I get a little bit obsessed with  
It's ok, yeah it's ok, but I do  
I get a little bit obsessed with

I get a little bit obsessed with  
I get a little bit obsessed with

And maybe you'll outgrow me  
Or maybe you'll follow me down  
What happens when the love you give is greater than you receive?

You were the one, you were the one who  
Told me to run, told me to run  
Give it a try, just have a life  
But I can't be fun, you're the only one

I get a little bit obsessed with  
It's ok, yeah it's ok, but I do  
I get a little bit obsessed with  
It's ok, yeah it's ok, but I do  
I get a little bit obsessed with

I get a little bit obsessed with  
I get a little bit obsessed with
