

# Secret

Hatchie

If you hear me  
Can you steer me?  
Just for a while  
Let's reconcile

Sinking, I am  
Sinking deep down  
Don't give up on  
Don't give up on

Baby can you keep a secret, a secret?  
Baby can you keep a secret, a secret?

Take a second  
Change position  
Don't give up on  
Don't give up on  
Up on

Baby can you keep a secret, a secret?  
Baby can you keep a secret, a secret?  
Baby can you keep a secret, a secret?  
Baby can you keep a secret, a secret?

Still I don't know why I just push the feeling down  
No I don't know why I just push the feeling down

Baby can you keep a secret, a secret?  
Baby can you keep a secret, a secret?  
Baby can you keep a secret, a secret?  
Baby can you keep a secret, a secret?

Baby can you keep a secret, a secret?  
Baby can you keep a secret, a secret?  
Baby can you keep a secret, a secret?  
Baby can you keep a secret, a secret?
