God Overslept

Seven churches of deception Burning world reflects in daemon's glare Now you can see your mind infection Divinity dies and god has overslept

Open the gates forever be the evil son Untie your soul-throw away the holy cross Burning in the world of evil masters-ancient gods Delight thier force wich is flowing though your soul

God has overslept God has overslept - left bhind

Open the gates forever be the evil son Untie your soul-throw away the holy cross Burning in the world of evil masters-ancient gods Delight thier force wich is flowing though your soul

God has overslept - left bhind

Open the gates forever be the evil son Untie your soul-throw away the holy cross Burning in the world of evil masters-ancient gods Delight thier force wich is flowing though your soul

God has overslept God has overslept - left behind
