## Hate Is the Law

Hate

As I hold the blade - A sign of a perfect end You have spoken your last words - Your final lies! Stuck in this nightmare called life, I summon thee The virus I feed - My sweetest destiny

Have faith in poison! Inject venom in my veins!
As I fuse with the roots of chaos
the equilibrium springs in me again

Further down the spiral I go Baptized in blood I become divine

Take and eat you all of this for this is my blood Void - This fleshly void, this Serpentine anti-sphere My messianic Hate - The only purpose Death supreme - Destroyer of the right and wrong

Baptizes in fire and void shed your carnal shell Look me in the eyes and drown, I am your final hour...

Baptized in blood I become divine

Behold! The Morbid Saints' last parade Cascades of ash and swift decay Screaming whispers of a Funeral Dawn Rip this fucking world apart For HATE is the highest law!

In this ocean of black lava I die a sacred death, death supreme Everything is here, every particle Chaos Equilibrium...
