

## Before Dishonor

Hatebreed

What make you think everything is this world that you have can  
be taken  
away? In a world this day, it's kill or be killed. I live each  
day like it  
might be my last. In this lifetime few things are worth fightin  
g for. My  
Blood. Your Honor. Everyone has a destiny. I'll choose my own.  
I will not be a victim.

My cries won't go unheard (2x)  
I got to fight for myself.  
I'll choose my own destiny and i won't let anyone take away wha  
t i hold do  
true. I won't live in denial. And I won't turn the other cheek.  
I must  
remain convicted and never accept this suffering. I've learned  
from my  
mistakes and I've made a promise to myself. I won't live in the  
past (2x)  
I've been affected by your lies and I've let then hold me back.  
I wasn't  
thinking for myself. I wasn't living for myself.

What i have  
in my heart I'll take to my grave.
