

## It's the Limit

Hatebreed

Why you messing around with me  
Pushing me around  
Values changing  
But I can't get caught in it today  
We won't lose  
with what we've got  
Cause we'll just sit  
and watch it all rot

Keep your ideas  
But keep your distance from me  
Keep off my back  
cause the things you do  
I don't wanna see

I don't wanna see  
I don't wanna see  
I don't wanna see  
I don't wanna see

Wanna see how far I can go  
Test my patience see what I know  
Just not happy with nothing to do  
Getting bold when there's more than two
