

# The Herd Will Scatter

Hatebreed

Consistent  
Conscious  
Deliberate  
Intent to deceive  
Decided voices  
Spreading the myths to believe  
Repeating falsehoods  
Destroying as it spreads  
Discourage the thinker  
Discredit the messengers

From those who have nothing  
So much more will be taken  
(More will be taken)  
To those who have everything  
So much more will be given  
(More will be given)

(We knew) There would come a time when  
(We knew) Lies would be brought into  
The light  
Now the fear runs rampant  
They strike and the herd will scatter  
Playing upon their fears  
Playing upon their fears

The senses flooded the future  
Unrelenting bleakness  
Sowing misfortune  
Reaping perpetual disaster  
Surrender no longer an option  
Dissipation  
Degraded purpose  
Abandoned isolation

From those who have nothing  
So much more will be taken  
(More will be taken)  
To those who have everything  
So much more will be given  
(More will be given)

The light shown upon the shepherd  
They strike and the herd will scatter  
Once the fear runs rampant  
They'll be unattended  
Once they strike the shepherd down

Strike the shepherd and the herd will scatter  
Isolation spells death
