

# Stepan Pantera

hatespeech (хейтспіч)

Everytime I hear your pathetic mumbling it makes me sick  
Pow pow pow  
That's the occupant just shot civilian  
Boom boom boom  
That's the bombs falling on children  
Pow pow pow  
That's the occupant just shot civilian  
Boom boom boom  
That's the bombs falling on children

Why, where, when did it happen?  
Dogpigs country, dirty fame  
War for them is a favorite game  
Why, where, when did it happen?  
As long as russia wants to play  
Different countries, everyday

Exile has nothing in common with emigration  
They loved communism for the blind domination  
You really think you hate commies? Ha-ha  
Alright, whatever  
But you may learn more about it from whom?

So you're telling me they won't destroy everything do ya?  
My naive little boy  
Do not google "Chechnya"  
Preparation – land corridors, bridgeheads  
Second army in the world is some dickheads  
Doormat-government is not okay?  
Destabilization, occupations – that's the way  
At the first sight it may look like there's a various  
But now, after all, we know all of these scenarios

Puppet Belarus and Armenia  
Attack on Georgia, Moldova, Ichkeria  
Do you think they know their fault?  
Or the people's lives price?  
The only thing they really know  
Is how to terrorize

How many examples will you need  
You see, it has always been the same  
Rewind, reflect, the world's at stake  
Свої душу й тіло ми покладем  
Кличем орків на обід – зробим типу business lunch  
Буде чим їх пригощати – artillery rocket launch  
Army of Ukraine is on the highest level  
Final boss fight – cut the head of the devil  
Russian boys are beaten operation "Rocky"  
Have you heard about Ukraine?  
Тут війна вже вісім років  
Набіжали свинопси – ну нічого, проженемо  
We don't need a ride, we just need more ammo
