

Cutthroat

Hatesphere

Ruthless and out of control
My mind is set
Let the purge unfold
No care for anyone
Kneel down let my will be done
Stay cold
Don't let me see
You getting back on your own two feet
You won't see the light of day
If I see you back here again

A life so cruel but it is mine
It's all too short don't waste my time
My blood runs cold I feel so alive
All are victims - all will die
All will die
Yeah

I have detached myself
From every kind of empathy
The weak are sickening
Their bones will pave the way
My bloody ambitions
Will take the life of all opposed
Nightmares are creeping in
My head is spinning

A life so cruel but it is mine
It's all too short don't waste my time
My blood runs cold I feel so alive
All are victims all will die
All will die
Yeah

I don't believe in morality
Or any kind of virtue
I'm yearning with a need
To start the killingspree
I will take crown
I will take bloody throne
A king of crooked deeds
Cutthroat is what I'll always be

A life so cruel but it is mine
But it is mine
It's all too short don't waste my time
Don't waste my fucking time
My blood runs cold I feel so alive
All are victims all will die
All will die
Yeah
