```
I wanna walk with into the love
I wanna fall with you, oh
I wanna run with
You get me so high
I wanna fly with you, oh
It's alright-alright
All night-all night
You're mine-you're mine-you're mine-you're mine
It's alright-alright
All night-all night
You're mine-you're mine eh-eh-eh
You'll be mine
You'll be mine
You-you'll be mine
You'll be mine-mine-mine
Toni-ight I'm gonna fight for my right
And loving you's the only thing on my mind
Toni-ight I'm gonna fight for my right
And loving you's the only thing on my mind
It's gonna be alri-ight, It's gonna be oka-ay
I wanna try with you all of the things I dream to do with you, oh
I wanna break with you all of the rules that keep me away from you, oh
It's alright-alright
All night-all night
You're mine-you're mine-you're mine-
It's alright-alright
All night-all night
You're mine-you're mine eh-eh-eh
You'll be mine
You'll be mine
You-you'll be mine
You'll be mine-mine-mine
Toni-ight I'm gonna fight for my right
And loving you's the only thing on my mind
Toni-ight I'm gonna fight for my right
And loving you's the only thing on my mind
It's gonna be alri-ight, It's gonna be oka-ay
I wanna walk with into the love
I wanna fall with you, oh
I wanna run with
You get me so high
I wanna fly with you, oh
```

It's alright-alright
All night-all night
You're mine-you're mine-you're mine
It's alright-alright
All night-all night
You're mine-you're mine eh-eh-eh

You'll be mine
You'll be mine
You-you'll be mine
You'll be mine-mine

Toni-ight I'm gonna fight for my right
And loving you's the only thing on my mind
Toni-ight I'm gonna fight for my right
And loving you's the only thing on my mind
