

# Give Me Liberty... Or Give Me Death

Havok

Cut the rotting branches of Government that stop the people from having meaning today  
Stay out of my business and keep to yourself  
Got to do things my own way  
Minimizing freedom with your rules and regulations  
A never-ending hunger to control  
Choking out the life of your own population  
Abusing the power you hold

Power  
Control  
For the Power  
Control

Give me Liberty... or Give me Death  
Give me Liberty... or Give me Death to our Independence  
Death to those who fight  
Death to our Constitution and the Bill of Rights  
Showing no regard for the way things ought to be  
Stripping away rights from you and me  
The Founding Fathers would be rolling in their graves  
If they could see what you are doing to this place  
The next thing to go is our Freedom of Speech  
So i'll speak up while i still can and maximize my reach

Power  
Control  
For the Power  
Control  
(2x)

Give me Liberty... or Give me Death  
Give me Liberty... or Give me Death

I find it hard to believe  
Some things are better left unsaid  
Is this the land of the free?  
Democracy is Dead

Cut the rotting branches of Government that stop the people from having meaning today  
Stay out of my business and keep to yourself  
Got to do things my own way  
Minimizing freedom with your rules and regulations  
A never-ending hunger to control  
Choking out the life of your own population  
Abusing the power you hold

Power  
Control  
For the Power
