

Phantom Force

Havok

Trapped in a dream
Shadow figures come for me
I cannot catch my breath
I cannot scream
Narrowly escaped
From the killing fields
Only to be chased by death

Panic
Lurking source
Crushed by
A paranormal phantom force
I can't wake up
Petrified inside this nightmare
Behind my eyes
Destined to die in my sleep

Is this a figment of my imagination
Or is this apparition real
I can't believe that I escaped the war
But I can't escape my fate

Panic
Lurking source
Crushed by
A paranormal phantom force
I can't wake up
Petrified inside this nightmare
Behind my eyes
Destined to die

Panic
Lurking source
Crushed by
A paranormal phantom force
I can't wake up
Petrified inside this nightmare
Behind my eyes
Destined to die
