

# Elevator

Hawk Nelson

Feelin' tired of feelin' nothin'  
Feelin' stuck in the mud and I'm over it  
So far down, lookin' around  
And I don't know how I'm gettin' out

But hey, hey, hey  
I hear You tell me not to stay, stay, stay  
The door is open every day, day, day  
It takes me to another place, place, place

Like an elevator  
Can't stop 'cause Your love is liftin' me up  
Like an elevator  
I've never felt like I'm feelin' tonight  
Straight off the ground, we'll never come down  
Can't stop 'cause Your love is liftin' me now  
Like an elevator  
Like an elevator

Way up high, like I'm flyin'  
And I'm finally feelin' so alive  
You and I, to the sky  
Gonna blow the roof off from the inside

So hey, hey, hey  
I hear You tell me not to stay, stay, stay  
The door is open every day, day, day  
It takes me to another place, place, place

Like an elevator  
Can't stop 'cause Your love is liftin' me up  
Like an elevator  
I've never felt like I'm feelin' tonight  
Straight off the ground, we'll never come down  
Can't stop 'cause Your love is liftin' me now  
Like an elevator  
Like an elevator (Woo!)

Here we go!  
Here we go!  
When we gonna stop?  
No one knows  
Everybody up  
Get on board  
You know you wanna come along for the ride  
So let's go  
Everyone on the flyest train  
Never gonna be the same  
I'm feelin' so fantastic  
This party's everlastin'  
So grab your friends  
Push all the buttons  
Ain't gonna stop until we get up to the top floor  
Top floor  
'Cause there's no way that we can feel more  
Feel more  
Here we go!

Like an elevator (elevator)  
Can't stop 'cause You're love is liftin' me up  
Like an elevator (elevator)  
I've never felt like I'm feelin' tonight  
Straight off the groudn, we'll never come down  
Can't stop 'cause You're love is liftin' me now  
Like an elevator (elevator)  
Like an elevator (like an elevator)

Whoa, hey, an elevator
