

Never Runs Dry

Hawk Nelson

The ups and the downs
The ins and the outs
The highs and the lows
Wherever I go
I find you
I always find you

The sun and the rain
The joy and the pain
Morning and night
All of the time
I find you
I always find you
(I always find you)

Your goodness is following me
Your mercy is my covering
Your love is holding my life
It never runs dry, never runs dry

It never runs dry, never runs dry

Seasons will change
But you stay the same
Beginning to end
Wherever I am
I find you
I always find you

Cause your goodness is following me
Your mercy is my covering
Your love is holding my life
And never runs dry, never runs dry

Your goodness is following me
Your mercy is my covering
Your love is holding my life
It never runs dry, never runs dry

What more can I say, what more can I do
But say thank you?
What more can I say, what more can I do
But say thank you?

Cause your goodness is following me
Your mercy is my covering
Your love is holding my life
It never runs dry, never runs dry

Your goodness is following me
Your mercy is my covering
Your love is holding my life
It never runs dry, never runs dry

It never runs dry, never runs dry
Oh, no it never runs dry
It never runs dry, never runs dry
