

# Weightless

Hawk Nelson

Everybody in the world moving so fast  
Can't find relief, looking for relief  
But I'm throwing my cares from the east to the west  
Cause you care for me, you care for me

Why would I let all these troubles come steal my joy  
When I know you hold my future, you're in control

I say no more, no more  
Wasting the moment, worrying about my life, my life  
Carrying your love, God I know I've got  
No burdens, dragging me down  
My soul is lifting, 'cause you're holding me now  
I give it all to you and I'm weightless  
I give it all to you and I'm weightless

Every bit of my stress that I keep inside  
I lay it at your feet, and now I'm carefree  
So I'm walking through the heavy feeling light  
A new reality, but different gravity

Why would I let all these troubles come steal my joy  
When I know you hold my future, you're in control

I say no more, no more  
Wasting the moment, worrying about my life, my life  
Carrying your love, God I know I've got  
No burdens, dragging me down  
My soul is lifting, 'cause you're holding me now  
I give it all to you and I'm weightless  
I give it all to you and I'm weightless

I'm carried over troubled waters  
I'm safe in arms of my Father  
I'm carried over troubled waters  
I'm safe in arms of my Father  
I'm carried over troubled waters  
I'm safe in arms of my Father

Oh

I say no more, no more  
Wasting the moment, worrying about my life, my life  
Carrying your love, God I know I've got  
No burdens, dragging me down  
My soul is lifting, 'cause you're holding me now  
I give it all to you and I'm weightless  
I give it all to you and I'm weightless

You lift me up, higher and higher, higher and higher  
You lift me up, higher and higher, and I'm weightless  
You lift me up, higher and higher, higher and higher  
You lift me up, higher and higher, and I'm weightless, weightless
