

# Bring It On Home

Hawkwind

Baby

Baby

I'm gonna bring it on home to you

I done bought my ticket, I got my load  
Conductor done hollered, "All aboard"  
Take my seat, ride way back  
And watch this train move down the track

Baby

Baby

I'm gonna bring it on home to you

I think about the good times I once have had  
Soul got happy now, my heart got glad  
I think about the way you love me too  
You can bet your life, I'm comin' home to you

Bring it on home

Gonna bring it on home, now

Gonna bring it on home, now

Gonna bring it on home, now

Gonna bring it on home, bring it on home to you
