

## L.S.D.

Hawkwind

By mere existence, we are elite  
Without a body, we are complete  
There is no master, we are alone  
There is an answer, where we have flown

By mere existence, we are elite  
Without a body, we are complete  
There is no Master, we are alone  
There is an answer, where we have flown

"Hello ? hello ? hello?  
.....goodbye"
