

Outside Of Time

Hawkwind

And as I dream far away
Will I find love
As time goes by ages pass
Can I outwit
Can I last
Love

Love
Love

Eros fires his arrows straight and true
Whose heart will they pierce?
Will it be me or you?
Won't be me

It's as if we're under a spell
Outside of time
Unending
I never knew until I fell
Outside of time
It's as if we're under a spell
Outside of time
I never knew until I fell
Outside of time
Unending
I never knew that I was lost
'Til I found you
I never knew that I was lost
'Til I found you
'Til I found you
