

Radio Telepathy

Hawkwind

I'm a blood need person
I'm a TV fan
I'm a radio telepath
I'm a government man

I'm a blood need person
I'm a TV fan
I'm a radio telepath
I'm a government man

I'm a digital citizen
All save in my room
And I got my video
To relive my glume
I can't walk the pavement
After six
City is full of people
And there are looking for a fix

My mind is on a socket
With the news on the screen
Lives in local area
Is so obscene

I'm a blood need person
I'm a TV man
I'm a radio telepath
I'm a government fan

I'm a blood need person
I'm a TV man
I'm a radio telepath
I'm a government fan

A haha aha haha
A haha aha haha
A haha aha haha
A haha aha haha
A haha aha haha
A haha aha haha
A haha aha haha
A haha aha haha
A haha aha haha
A haha aha haha
