

Silver Machine (long version)

Hawkwind

I, I just took a ride
In a silver machine
And I'm still feeling mean

Do you want to ride?
See yourself going by
The other side of the sky
I got a silver machine

It flies
Sideways through time
It's an electric line
To your Zodiac sign

I've got a silver machine
I've got a silver machine
I've got a silver machine
I've got a silver machine

It flies
Out of a dream
It's antiseptically clean
You're gonna know where I've been

Do you want to ride?
See yourself going by
The other side of the sky
I'm in a silver machine

I said just took a ride
In a silver machine
And I'm still feeling mean

It flies
Sideways through time
It's an electric line
To your Zodiac sign

I've got a silver machine
I've got a silver machine
I've got a silver machine I've got a silver machine

I've got a silver machine
I've got a silver machine
I've got a silver machine
I've got a silver machine
I've got a silver machine
I've got a silver machine
