

# The Phenomenon Of Luminosity

Hawkwind

Friendship seven, I'll try to describe what I'm in here  
I'm in a big mass of some very small particles that are brillia  
ntly lit up  
Like they're luminescent, I never saw anything like it  
They are around a little, they're coming by the capsule  
And they look like a stars, a whole shower of them coming by
